delivered projects of builder as well as the reviews of customers and clients

* High Transaction cost: eliminate:

Presently there is an unnecessary involvement of numbers of brokers and agents between buyers and sellers leading to increased cost of estate. My website serve as an trusted gate b/w buyer and seller. **

* Financing options:

There will be complete guidance for buyer to opt out specific inventory and expert opinion about the property, moreover it will give the detail about loan, mortgadge facility, house-building linkage and public and private financing institutions in front of buyer through a single click.
